

# Trécé Honored for Their Export Achievement

Exports are important to Oklahoma's businesses and growth potential by Making locally then selling globally. That was the message from Oklahoma Lieutenant Governor Matt Pinnell, who presented seven local companies– Electro Enterprise, Inc – received the Oklahoma Governor's Award for Excellence in Exporting; Kimray, Inc., Filtra-Systems Company LLC, CCK Strategies, Trécé, Inc., PACCAR Winch, Inc., and Cornsilk Company – received the Oklahoma District Export Council's Export Champion Award.
