CIDETRAK®

OFM-L PP

MATING DISRUPTION PRODUCT FOR ORIENTAL FRUIT MOTH

Oriental Fruit Moth,
Grapholita molesta

The Science Behind the Success.

The result of years of lab and field research, the CIDETRAK® OFM-L PP High Performance Dispenser puts powerful Oriental Fruit Moth mating disruptant protection at your disposal. Its simple design makes it easy to install, damage resistant and keeps your orchards looking great. The CIDETRAK® OFM-L PP is the only pheromone formulation designed from the molecular level up for semiochemical applications. The result is long-lasting protection – and peace of mind.

Personalized carrier pack
